Introduction

This spring, Chess Coders offers a <u>free training programme</u>, specifically tailored for students with high interest in a Web Development career.

Before starting out, please consult our crafted list of useful resources to consult during your training:

- Official HTML Documentation

- [Official HTML Documentation]() - Mozilla Developer Network
- [Official CSS Documentation]() - Mozilla Developer Network
- [Official CSS Documentation]() - Mozilla Developer Network
- [W3Schools.org]() - Learn to Code with the world's largest web developer site.

Come join us at
CHESS CODERS

At a glance

HTML5

CSS3

JavaScript

| Technology	Estimated learning time
HTML 5	10 hours

HTML5	10 hours
CSS3	20 hours
JavaScript	a lifetime
